

## January – February 2012

### PASTOR'S MESSAGE

**Merry Christmas and Happy New Year!**

**I don't know anyone who actually enjoys paperwork, but preparing this year's Annual Report has been a wonderful exercise in gratitude. We as a congregation have begun some wonderful ministries and continued others; we have said good-bye to some beloved ones and welcomed new members.**

**We watched the seasons change as they always do (although as I write this the lawn is still green!) The farmers in our midst faced great challenges and yet continued to co-create with God, and those of us who appreciate living close to the land watched in awe as storms of all kinds blew through our area.**

**Now the landscape looks bleak; perennials appear dead... but we know that their roots are just resting. We have just passed the longest night of the year and hold faith that the sun is returning. It is a wonderful time to reflect, review and assess. It is also a wonderful time to look forward.**

**We as Christians celebrate the coming of the Light of Christ at this time of year because it makes sense and it matters. During difficult, dark times, it is easy to forget that the light always returns; for us, that Light is actually WITHIN the darkness. Darkness happens in every life. The presence of the Body of Christ, the congregation that surrounds and supports us is a constant reminder of Emmanuel. God-with-us. Always. In every season.**

**Let us all reflect on 2011 and give thanks. Let us all look toward 2012 and discern how we can witness the Light of Christ to others. It is not only our calling; it is our joy to do so.**

**"Don't let the light go out; it's lasted for so many years.**

**Don't let the Light go out; let it shine through our love and our tears!"**

**Loving Blessings..... *Susan***

## Worship/Tech Committee

During the year 2011, we continued with the monthly Contemporary Services from September through May. We met as a committee each month to plan, prepare and practice for our Contemporary Service on the 4<sup>th</sup> Sunday of each month. We also have begun using the projector at other times during the month to illustrate a theme Rev. Susan is using such as our Advent theme on the circle of life.

Through the choir budget we managed to buy the choir copies of the third installment of the newest Methodist Hymnal supplement. This includes all the modern sacred music deemed appropriate for our service. We are looking forward to adding the congregational version in the future. Unfortunately there are no CD's to go with this latest version yet.

Our new web master Bob Phelps has done a marvelous job of redoing the technical aspects that actually make our website work properly. We now have updated church groups, sermons and special events to come. We have also added a special photo ops group that you can see the progress and comradeship that each of our groups share.

As the year 2011 comes to a close, we look at the hopes and dreams for this last year and feel very encouraged by the fact that by the grace of God and many helpful hands we have been able to accomplish five out of the six dreams on our list. We have a prayer chain, a birthday calendar, an updated website, a church directory, and continued contemporary services each month. For this we are truly thankful.

Our plans for the 2012 year include an updated directory, expansion of contemporary services, and seeking information on a new sound system.

As always we appreciate any comments, prayers and constructive criticism to help us improve.

### Budget

Here is a copy of this year's budget that will be voted on at the Jan 15<sup>th</sup> annual meeting. You will notice that the budget has increased. Part of the increase is because of oil. We were given oil for last year and this year we have to pay.
